Too whom it may concern:

Wed Aug 9, 2006 12:50 pm

I sit here wondering what to do with all this free time. I have been extorted into taking my web site down at the demand of those who have extorted many other things from me.

My right to engage in my occupation has been usurped and extorted by a handful of malicious people who have engaged in a systematic reign of terror, harassment and stalking over my personal and professional life.

My right to exploit my inventory of intellectual property as I see fit has been extorted and the property stolen by unscrupulous, self-serving, immoral tin gods who cannot do what I do, and therefore justify stealing my work for their selfish and self-serving purposes. In the process, they claim they have the RIGHT to take it because I have no right to charge for it or withhold it. The law says differently.

My right to privacy and internet safety has been severely compromised by the likes of Randy Blair, Dorothy Keraghen-Baez, Billy Wiseman and others who publish personal identifying information that I withheld from publication to protect my family and children and who have used that exposure as the means of extortion against me. Blair continues to publish it, even after he was convicted for another act of invading personal privacy.

AND NOW I have received a report from a reliable source that I AM BEING EXTORTED AGAIN. . . by Blair who says he will forward the same FALSE information that he gave to the Oakland County sheriff about me to MY County sheriff UNLESS I TAKE HIS NAME OFF OF

**THE BAD ADVOCATES WEB SITE.** 🤖 I took that page off of my web site days ago, as the STM's extorted and demanded. **They got what they wanted from me, and it's not good enough.** I gave it away - I'm the wrong person to threaten.

I am asking the person who received the threat to publish it to this list. **However, this person has expressed extreme fear for personal safety and safety of family if this extortion publication by Blair is released.**

My time is consumed with defending ongoing attacks against me, my business associations, and involving law enforcement - based on false allegations or manufactured evidence. 🤖

**Even though I gave them everything they demanded under threat of extortion, even though I conceded that they win, they are the leaders they wanted to be..**  
**.THEY STILL WON'T LEAVE ME ALONE!**

So, I'm back again to pondering what I should do with all this free time? 🤖

Then it came to me. 🤖 This handful of people have extorted many things of value from me.

**Therefore, I see as my only option, to dedicate every skill, every talent, every resource I possess to employing every lawful avenue available to me with the sole purpose of TAKING BACK EVERYTHING THAT WAS TAKEN FROM ME from EVERYONE who took anything - WITH INTEREST.**

**Let me read between the lines for you, you shit throwing monkeys. . . .** 🤖

**I have been VERY good at what I do, in fact, I have been the BEST - studying, gathering data, researching, analyzing and devising strategies to beat the CPS system. They have been NO MATCH for me.**

NOW that I have been forced and extorted out of my lawful occupation, my reputation, my property, by YOU. . . **I will focus all my skills, all my talents, everything I have to taking back *EVERYTHING you stole from me, WITH INTEREST.*** I know ALL of your abilities and I know as well as YOU do. . . **YOU IDIOTS ARE NO MATCH FOR ME.** 🤖 (Yes, I called them a name. . . Yes, it's against the rules. . . go ahead- spank me. 🤖)

THEREFORE, this is my NOTICE to you that I am attempting to resolve this dispute before I engage in this proposed course of action.

**This is NOT a threat, for the dum mies who don't understand the legal principal of "notice". . . *this is not a threat.* . . it is my notice of intent to aggressively seek any and all legal or lawful remedies available until I get**

**everything back that EVERY ONE OF YOU took and extorted from me simply because you were published on the Bad Advocates page. 🙄 I have all the communications from you, before this started, where you demand to be removed from that listing. 🙄 I have the posts on other groups where you state your intention to 'get me' because I published your name and your actions on the list. 🙄 I have the communications where you demanded I remove the listing or else. 🙄**

I would MUCH prefer to go back to my lawful and peaceful occupation devoted to fighting CPS. I can still do that, but **only** if we can resolve these issues - that means all of you.

If **you** want to resolve the issues as much as I do before any more irreparable harm is done . . .

1. **I invite you to join this group where we can raise the issues for resolution safely and openly.**
2. Do **not** contact me *privately, backchannel, via phone or by any other method.*
3. Do **not** contact me *through anyone else - nobody is authorized to mediate for me.*
4. I have issues with you (and you know who you are - if you don't, ask), however, due to the abuses I have suffered and the threats arising out of efforts to resolve, I will not contact you privately - therefore, this is the only forum where I will work directly with you to resolve the issues - consistent with the rules of this group.

I will remind you that I have already won a civil suit and judgment against Brenda Swallow. I have already prevailed on the multiple law enforcement investigations against me instigated as extortion against me by you. I PROMISE I WILL RECOVER EVERYTHING YOU TOOK AND EXTORTED AND STOLE FROM ME, one way or another.

You are cordially invited resolve the issues HERE and GIVE everything back that you took , stole or extorted, or I can TAKE it back with interest. This offer is withdrawn at midnight Mountain time, tonight.

**Your** choice.

Suzanne 🙄 DFWM 🙄
